

## **(Workshop) Publicity Waiver**

(*Organization name*) occasionally photographs or video-records students' work for review, archival, or publicity purposes. We respect our students' effort and progress; we also respect their right to privacy, and request permission before using their images in any public or promotional material. Therefore, we ask that you review this permission form and, if you agree, sign it to indicate that you have consented to (*Organization name*)'s use of your image in publicly displayed photos or video clips as described below. However, if at any time in the future after you've signed this waiver we use your image in a way that is not acceptable to you for any reason, we encourage you to make us aware of this.

I hereby give the following permissions:

1. I agree that photographs taken during (*Workshop*), and featuring my work, may be freely used to promote (*Organization name*), subject to the condition that whenever practical, when my work is prominently featured appropriate credit will be given.

3. I further agree to the recording and broadcast and/or public display of brief promotional excerpts, specifically created for public performance in which my work is featured, provided such recording and broadcast is consistent with copyright law and contractual arrangements, and provided such excerpts do not exceed two minutes in length.
